An enhanced DBS check that is satisfactory to us will be a condition of employment.

ABOUT PARADIGM TRUST

Paradigm Trust was formed to ensure that we leave a legacy of high achievement and excellence in all we do and a set of values that underpins all leadership decisions in every one of our academies.

The ethos of the Trust is very simple: it is that every child is entitled to an outstanding education, with equal access to knowledge, skills, opportunities, aspirations, life chances and dignity. Every child deserves the best from the academies within the Trust and we aim to provide this in many ways, the most important of which are a well-planned and taught curriculum, in an environment where the safety and well-being of pupils are paramount. The Trust considers strong partnership work, with the communities its schools serve, as essential to achieving excellent results. The Trust encourages parents and/or carers to support their children at home by encouraging learning, good conduct and high expectations.
