Have you got what it takes to help transform the lives of young people in Suffolk?

Paradigm Trust is a successful family of six schools dedicated to transforming the life chances of young people. Our ethos is that every child is entitled to an outstanding education with equal access to knowledge, skills, opportunities, aspirations, life chances and dignity.

Piper's Vale Primary Academy is a warm and friendly community school, sited in Ipswich, near the Orwell Country Park – a town targeted by the DfE as part of the Opportunity Area initiative.

We need determined and talented teachers like you – including NQTs – to help our pupils achieve the success that they deserve.

In return you can expect:

- a strong, supportive professional environment;
- streamlined administrative processes allowing you to focus on teaching;
- guidance from talented leaders, benefitting from the knowledge and experience we have developed across the Trust;
- a commitment to career development, and promotion from within, with opportunities to progress locally or across the Trust.
- Paradigm Trust is positive about flexible working - please discuss options with us.
