Lead Science Technician

Salary: Scale 5, Point 22 (£21,074 pa) to Point 25 (£23,111 pa) pro rata

37 hours per week, working term time plus 2 weeks - this is a permanent position

We require a full-time Lead Science Technician, to start as soon as possible.

Our energetic and forward thinking science faculty is looking for a lead technician with a passion for science. Ours is a strong science faculty where GCSE results are well above average, and is part of a 'good' school with outstanding leadership (Ofsted rating for 2019).

The Lead Science Technician will organise and execute the delivery and development of technical services in order to support the science curriculum for all students in the school.

You will need strong organisational and technical skills and practical experience and working knowledge of health and safety best practice in this environment. Applicants should have work experience supporting a department in at least two of the following; biology, chemistry or physics at GCSE level or above.

As a Trust we are outcomes driven and welcome discussion of flexible working options.

A job description, person specification and an application form are attached and also available from our website ipswichacademy@paradigmtrust.org.

Completed applications should be returned by email to HR at hr@paradigmtrust.org.

All applicants must have due regard for safeguarding and promoting the welfare of children and young people, and if successful will be required to comply with the Trust's safeguarding policies and procedures.

Closing date: 25th April 2019

Interviews: 29th April 2019
