

**Teacher of Science
Permanent contract
Teaching Staff Pay Scale, Points 1 -9; £24,373 - £40,490**

Ipswich Academy, part of Paradigm Trust, is seeking to appoint a Science Teacher to join our team to commence from September 2020. The successful candidate will have the drive to be highly effective, innovative, enthusiastic and a good team player, with the ability to engage and motivate students in Science.

This is an exciting time to join Paradigm Trust. We are a not-for-profit, state-funded educational trust consisting of six schools based in Suffolk and London.

Our vision is to develop and sustain great schools where we can make the biggest difference to pupils. We are strongly values-led (integrity, community, excellence) and work hard to be inclusive. We deliver high quality education and play a positive role in local and national education systems.

The Trust is educationally strong - every Trust school that has been inspected has been judged to be good or better. We offer a well-developed and well-resourced, knowledge-based curriculum; have lots of experience of school-to-school support; operate effective teacher training programmes and provide strong operational support services to our schools. Paradigm also benefits from effective governance, backed by secure finances.

If you are an inspirational, dynamic and an enthusiastic teacher of Science and you have a passion to make a difference, we would love to hear from you.

As a Trust, we are outcomes-driven and flexible working options can be accommodated. We are committed to reducing unnecessary workload and have implemented the Department for Education's workload reduction toolkit.

If you would like to apply for this post please visit our website at <http://paradigmtrust.org/careers/vacancies-2/>

All completed applications must be emailed to HR@paradigmtrust.org by the closing date and time detailed below.

All applicants must have due regard for safeguarding and promoting the welfare of children and young people. If you are successful you will be required to comply with the Trust's safeguarding policies and procedures. An Enhanced Disclosure via the Disclosure and Barring Service will be required for all posts.

Interviews will be arranged upon receipt of successful application.
